

The 2004 Research Conference on Innovations in Information Technology
October 4-6, 2004
Dubai-UAE

Students Posters Submission Guidelines

Posters are an excellent way to present your ideas, raise questions, and receive feedback. The Student Posters session offers a unique opportunity for students to present their work at the International Research Conference on Innovations in Information Technology (IIT'2004). A two-page summary of each accepted poster will appear in the Extended Abstracts section of the IIT 2004 proceedings.

Submission Requirements

- Submit a two-page summary of your project
- Submissions must be emailed to Dr. Harmain at Harmain@uaeu.ac.ae

- You will receive notification upon receipt of your submission.
- Authors will be expected to be present next to their poster for informal discussions with conference participants.

Poster Requirements

- Poster size should not exceed A0 paper size (1189mm x 841mm).
- The title, author and affiliations should be clearly displayed.
- Posters should be easy to read from distance.
- Text font should be at least 24 point.
- A good size for titles is 72 points.
- Drawings, graphics, or photographs where appropriate facilitate communication.
