

## CALL FOR TUTORIALS

The Eighth International Conference on Innovations in Information Technology (Innovations'12)  
(Al Ain, UAE, March 18 - 20, 2012)  
<http://www.it-innovations.ae/>

You are cordially invited to participate in the Eighth International Conference on Innovations in Information Technology (Innovations'12) to be hosted by the United Arab Emirates University, in Al-Ain, Abu-Dhabi, United Arab Emirates, on March 18 - 20, 2012. This conference has become a leading forum to address, discuss and exchange knowledge and innovations on disciplines in the field of Information Technology.

Innovations'12 is an excellent opportunity to present your tutorial on topics of interest which include, but not limited to the following:

- Communication and Networking
- Computer and Information Security
- Internet Applications and Web Services
- E-Systems (Health, Government...etc)
- Cyber Physical Systems
- Computing and Embedded Systems
- Database and Data Mining

### SUBMISSION

Innovations'12 seeks half day tutorials which can address an audience of senior undergraduate students, graduate students, researchers from academia and industry. All submitted tutorials will be peer reviewed, and acceptance will be based on timing, quality, relevance and applicability to the targeted audience. Submission of tutorials should be made to the tutorial chair, Dr. Khaled Shuaib, at [k.shuaib@uaeu.ac.ae](mailto:k.shuaib@uaeu.ac.ae).

Tutorial proposals should not exceed 3 pages and must include a 500 word summary, targeted audience and a short biography of the presenter including previous presented tutorials. Tutorial presenters will be granted a round-trip ticket from their country of residence to the UAE, 3 night stay at the conference hotel in Al-Ain, free transportation from and to the airport within the UAE and free full Innovations' 12 registration package.
