**CALL FOR PAPERS**

The Ninth International Conference on Innovations in Information Technology  
(Innovations'13)

(Al Ain, UAE, March 17-19, 2013)

<http://www.it-innovations.ae/>

You are cordially invited to participate in the 9<sup>th</sup> International Conference on Innovations in Information Technology (Innovations'13) to be hosted by the United Arab Emirates University, in Al-Ain, Abu-Dhabi, United Arab Emirates, on March 17 - 19, 2013. This conference has become a leading forum to address, discuss and exchange knowledge on all disciplines of Information Technology (IT).

Innovations'13 is an excellent opportunity to present theoretical, experimental and visionary research results and work in progress papers in various topics of IT. Papers submitted to the conference should present original work that has not been previously published or is currently under review by other conferences or journals.

Selected papers from IIT'13 will be further invited for possible publications in special issues journals including: International Journal of Computer Applications in Technology, International Journal of Information Technology and Web Engineering, Journal of Information & Knowledge Management, and International Journal of Internet Protocol Technology.

Innovations'13 is technically co-sponsored by IEEE. Accepted papers will be indexed in IEEE Xplore digital library.

**TOPICS**

Topics of interest include, but are not limited to the following major themes:

- Computing and Embedded Systems
- Intelligent and Software Systems
- Communications and Networking
- Computer and Information Security
- Internet Applications and Web Services
- Learning and Education Technologies

**WORKSHOP**

IT In Biology and Medicine

**SUBMISSION**

Innovations'13 seeks original manuscripts (6 pages maximum in IEEE two-column format) describing research in all aspects of Information Technology that contribute to the conference themes. All papers will be peer reviewed, and acceptance will be based on quality, relevance and originality. Submission of tutorial proposals is also welcomed. The submission guidelines are available on the conference website: <http://www.it-innovations.ae/iit2013/Authors.html>. Paper submission is set up through <http://www.edas.info>
