10th International Conference on Innovations in Information Technology
November 9-11, 2014. Al Ain, UAE

CALL FOR PAPERS

You are cordially invited to participate in the 10th International Conference on Innovations in Information Technology (Innovations'14) to be hosted by the United Arab Emirates University, in Al Ain, Abu Dhabi, United Arab Emirates, on November 9-11, 2014. This conference has become a leading forum to address, discuss and exchange knowledge on Information Technology (IT) themes.

Innovations'14 is an excellent opportunity to present theoretical, experimental as well as visionary research and work in progress on various IT topics. Papers submitted to the conference should present original work that has not been previously published or is currently under review by other conferences or journals.

Selected papers from Innovations'14 will be invited for possible publications in special issues of several journals.

Topics
Topics of interest include, but are not limited to, the following major themes:
- Computing and Embedded Systems
- Information Security and Network
- Intelligent and Software Systems
- Internet Applications and Web Services
- Arabic in IT (Call for Special Session)

Submission
Innovations'14 seeks original manuscripts (of up to maximum 6 pages in the IEEE two-column format) describing research contributing to the conference themes. All papers will be peer reviewed, and authors of accepted papers are expected to present their work at the conference. Submissions of tutorial, special session, and workshop proposals are also welcomed. The submission guidelines are available at http://www.it-innovations.ae/iit2014/Authors.html, while paper submission should be done through http://www.edas.info/

Innovations'14 is technically co-sponsored by IEEE. Accepted papers will be indexed in IEEE EXplore digital library.
