**CALL FOR Workshops**

## The 11ᵗʰ International Conference on Innovations in Information Technology (IIT'15, http://www.it-innovations.ae/iit2015/index.html) November 01-03, 2015, Dubai UAE

You are cordially invited to participate in the 11ᵗʰ International Conference on Innovations in Information Technology (IIT'15) to be held in Dubai, United Arab Emirates, Nov. 1-3, 2015. This conference has become a leading forum to address, discuss and exchange knowledge and innovations on disciplines in the field of Information Technology. The theme of IIT'15 is **Smart Cities** and associated software technologies required to provide better living conditions in the cities of tomorrow. This theme will be reflected by a number of tracks, high quality keynotes, workshops and tutorials.

**Workshops Submission**
The IIT'15 organizing committee invites proposals for workshops within the main theme of the conference and its related areas. Workshops are intended to mainly cover research being done within the academic and professional community on new ideas with the focus on new experiences and case studies. All accepted workshop papers will be included as part of the proceedings based on the main conference paper submission regulations and will be subject to the same review policy. However, submission and reviewing of the papers will be managed by the workshops organizers utilizing the conference management system.

Workshop proposals should include:
- Title of the workshop.
- A 500 word summary of the workshop
- Full contact details of workshop organizers (maximum three), expected number of paper submissions.
- Objectives of the workshop; why it is important and how it is relevant to IIT'15.
- A draft Call for paper of the workshop with deadlines and list of TPC members.
- If the workshop was conducted before, when and where it was conducted and statistics on the number of attendees and the acceptance ratio.
- A short bio of the workshop organizers and past experiences in organizing workshops, seminars, or research meetings.

Up to two of each workshop organizers will be granted free IIT'15 registration for one paper each provided that their organized workshop has more than 10 registered papers.

Workshop proposals must be no more than 5 pages in length and submission should be made to EDAS: https://edas.info/
